Perfect for fans of *The Selection*, *My Lady Jane*, and *Caraval*. Wren Greenrock has always known that one day she'd steal her sister's place on the throne. Trained from birth to return to the palace and avenge her parents' murder, she'll do anything to become queen and protect the community of witches who raised her. Or she would, if only a certain guard wasn't quite so distractingly attractive, and if her reckless magic would stop causing trouble. . . . Princess Rose Valhart knows that with power comes responsibility—and she won't let a small matter like waking up in the desert with an extremely impertinent (and very handsome) kidnapper get in the way of her duty. But life outside the palace is wilder and more beautiful than she ever imagined, and the witches she has long feared might turn out to be the family she never had. But as coronation day looms and each sister strives to claim her birthright, an old enemy becomes increasingly determined that neither will succeed. Who will ultimately rise to power and wear the crown?

**Make Your Own Damn Movie!** Jan 09 2021 Lloyd Kaufman, the writer/producer/director of such cult-classic films as The Toxic Avenger, Class of Nuke 'Em High, and Tromeo and Juliet, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, Make Your Own Damn Movie! places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.
