Outlines a nutrition program that reduces food cravings Life has been tough on Pollyanna, who has constantly been at someone's beck and call. So when she journeys to the desert with magnificent sheikh Rashid, it feels like a dream! Charisma. Power. Danger. In just days, Rashid has taken Polly's world and changed it. He can't ever be hers, but what she is feeling is as old as time itself. Pollyanna came to Amrah to relive her great-grandmother's adventure. But as the fairy-tale trip draws to an end, her adventure—with Rashid—has only just begun.... The Consulting Apprenticeship is written for business professionals and consultants with a focus on nuances passed on during apprenticeship regarding consulting delivery. Business professionals can benefit with a jump-start approach to applying consulting principles to their business. Designed for the busy professional, The Consulting Apprenticeship is a book of forty, quick-read ideas. These forty, short chapters are divided into four sections: Consulting Mindset - This section covers consulting ways of thinking and can be adopted by both company personnel and consultants. Consulting Techniques - This section covers specific tactics and toolkit methods when using consultative approaches in the trenches as either a company- or consulting firm-practitioner. Consulting Mastery - This section covers advanced perspectives on consulting and may be more useful to either company personnel evaluating consultants or mid- to senior-level consultants. Consulting Special Situations - Whereas the prior sections are applicable to a wide variety of situations, this section covers more infrequent, specific business situations involving consultative approaches in the trenches as either a company- or consulting firm-practitioner. Each chapter of the book concludes with an optional, takeaway exercise. The exercises vary widely in terms of level of involvement. For example, in some cases you can refer to online material. In other cases, you can engage in deeper thinking or apply the concepts over an extended period of time. However you choose to use this book, consulting mastery is a lifelong pursuit. I hope this book helps you with your journey. Stephen Shu Praise for The Consulting Apprenticeship "When one of the companies I worked for needed help taking its consulting organization to the next level, I hired Steve Shu. His ability to drive our management team - all with different opinions on what we should or should not do - to a 'so-what' conclusion and pragmatic next steps gave us the jump start we needed. He is one of the best and deeply understands how consulting organizations should work. His book provides great

techniques as well as tools you can use immediately." - Prakash Panjwani, CEO at WatchGuard Technologies, former President and CEO of SafeNet "Steve Shu has put together a comprehensive guide to the all-important nuts and bolts of being a great consultant. The information in Chapter 21, 'Eight Secret Weapons of the Modern Consultant, ' is worth the price of the book. If you're serious about being a more effective consultant, read this book." - Michael McLaughlin, Author of Winning the Professional Services Sale and Principal Consultant at MindShare Consulting LLC; former Partner at Deloitte "Steve Shu has written a hands-on, highly practical guide for new management consultants and internal corporate business strategists alike. So many projects fail because they do not practice the basic consulting project management hygiene Steve describes in chapter 11. If you are new to the trade and want to greatly increase your chance of delivering successful consulting projects, read this book." - Robert Reppa, Vice President Strategy at Johnson Controls and former Partner at Booz & Company "Steve Shu has written a Rosetta Stone for both new and experienced consultants. Filled with forty power-packed ideas and practical chapter takeaways, Consulting Apprenticeship is structured for busy executives to easily digest each concept. A must read for those who seek to go beyond the shallow bromides of the consulting profession, and hone their skills with deeper, more meaningful approaches." - Adrian C. Ott, Award-winning author of The 24-Hour Customer, and CEO, Exponential Edge Inc, called "One of Silicon Valley's most respected strategists" by Consulting Magazine" Secrets shape the ebb and flow of our lives... Two sisters face battles in life and love amongst the ever-present threat of war in Judith Lennox's unforgettable historical novel, Catching the Tide. Perfect for fans of Santa Montefiore and Kate Morton. 1933. Tessa and Frederica Nicolson enjoy one last idyllic summer at the beautiful Villa Millefiore, overlooking Florence. Four years later, Italy is a distant memory and Tessa is revelling in the glamour and excitement of modelling in London, until a passionate affair with married author Milo Rycroft leads to tragic consequences. Tessa returns to Florence, and, missing her sister desperately, Freddie, too, travels to Italy, where she is swept up in adventure, danger and romance, and makes a chance encounter that will change her life. With the outbreak of World War Two, Tessa and Freddie must fight for their own survival and happiness, while they wonder whether they will ever see each other again... What readers are saying about Catching the Tide: 'Ideal escapism' 'This beautifully written book has an overarching theme of love and loss, and expertly captures the hedonistic atmosphere of pre-war WW2 London and Europe' 'Wonderful story, I couldn't put the book down!' The author of the acclaimed Welcome to My Country describes in this provocative and funny memoir the ups and downs of living on Prozac for ten years, and the strange adjustments she had to make to living "normal life." Today millions of people take Prozac, but Lauren Slater was one of the first. In this rich and beautifully written memoir, she

describes what it's like to spend most of your life feeling crazy--and then to wake up one day and find yourself in the strange state of feeling well. And then to face the challenge of creating a whole new life. Once inhibited, Slater becomes spontaneous. Once terrified of maintaining a job, she accepts a teaching position and ultimately earns several degrees in psychology. Once lonely, she finds love with a man who adores her. Slater is wonderfully thoughtful and articulate about all of these changes, and also about the downside of taking Prozac: such matters as dependency, sexual dysfunction, and Prozac "poop-out." "The beauty of Lauren Slater's prose is shocking," said *Newsday* about *Welcome to My Country*, and Slater's remarkable gifts as a writer are present here in sentences that are like elegant darts, hitting at the center of the deepest human feelings. *Prozac Diary* is a wonderfully written report from inside a decade on Prozac, and an original writer's acute observations on the challenges of living modern life. Unhappy with your face? Your body is trying to tell you something. Every line, wrinkle, spot, mole and crease means something. They did NOT just randomly show up on your face. Every part of your face is connected to an organ or body part. If that body part is not functioning properly, it will show up on your face. No amount of cream will change that. If you want to improve your face, you must improve your health. And lucky for you--your face tells you exactly what's wrong with you. Forget plastic surgery- you can do it yourself. After this event, you will never look at people the same way again. You will instantly be able to tell what issues they have. And they will wonder why you now look 20 years younger ! This year's commentary offers a fresh format to make teaching more interactive and life-related. Features of this new layout are: - All questions, sentence sermons, dictionary helps and illustrations are in sidebars throughout the lesson - Each lesson ends with a 'Conclusion' and a 'Golden Text Challenge' - The Printed Text appears throughout each lesson This is 'year six' in a seven-year cycle. Themes for 2004-2005: - Wisdom from James - Roots of Christian Formation - Letters of Peter and Jude - Living in Light and Love - Book of Ezekiel - Fruit of Christian Formation - Book of Numbers - Christ in Revelation A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. With a real-world genre orientation, attention to diverse media, focus on visual literacy, and emphasis on the ethics of writing, the third edition of "The Call to Write" continues to break new ground. Organized by genres--letters, memoirs, public documents, profiles, reports, commentaries, proposals, and reviews, this innovative rhetoric gives students the practice they need to write both in college and in the public sphere. Connecting writing to the real worlds of everyday life, college, and work, it gives students reasons to write and the skills to help them succeed. A strong emphasis on public writing promotes civic involvement through writing--to inform the public, to shape opinion, to advocate change, etc.--while relevant, provocative readings underscore when and why citizens are called to write. The Third Edition retains the best features of the

second edition while greatly expanding the coverage of research. This hardcover version includes a grammar handbook. Individuals who want to master various forms of writing. An international edition of this product is available for sale overseas and in international markets. Security is one of the most critical problems facing anyone who is charged with administering and maintaining an enterprise's computer network. This text aims to help anyone involved with maintaining a network to better secure it and prevent disasters from occurring and systems from crashing and destroying vital corporate data. It covers: strategies for preventing networks from attack; Internet and external security; tunnelling through VPNs (Virtual Private Networks); choosing and configuring firewalls; and dealing with bugs, viruses and Trojan Horses. A simplified version of the classic tale of a talking wooden puppet whose nose grew longer whenever he told a lie. "After years of battling uncontrollable addiction, I have achieved the supposedly impossible: complete freedom from craving." Dr. Olivier Ameisen was a brilliant cardiologist on the staff at one of America's top teaching hospitals and running his own successful practice when he developed a profound addiction to alcohol. He broke bones with no memory of falling; he nearly lost his kidneys; he almost died from massive seizures during acute withdrawal. He gave up his flourishing practice and, fearing for his life, immersed himself in Alcoholics Anonymous, rehab, therapy, and a variety of medications. Nothing worked. So he did the only thing he could: he took his treatment into his own hands. Searching for a cure for his deadly disease, he happened upon baclofen, a muscle relaxant that had been used safely for years as a treatment for various types of muscle spasticity, but had more recently shown promising results in studies with laboratory animals addicted to a wide variety of substances. Dr. Ameisen prescribed himself the drug and experimented with increasingly higher dosages until he finally reached a level high enough to leave him free of any craving for alcohol. That was more than five years ago. Alcoholism claims three hundred lives per day in the United States alone; one in four U.S. deaths is attributable to alcohol, tobacco, or illegal drugs. Baclofen, as prescribed under a doctor's care, could possibly free many addicts from tragic and debilitating illness. But as long as the medical and research establishments continue to ignore a cure for one of the most deadly diseases in the world, we won't be able to understand baclofen's full addiction-treatment potential. *The End of My Addiction* is both a memoir of Dr. Ameisen's own struggle and a groundbreaking call to action—an urgent plea for research that can rescue millions from the scourge of addiction and spare their loved ones the collateral damage of the disease.
