***The Serpent of Venice* Feb 07 2021 Venice, a long time ago. Three prominent Venetians await their most loathsome and foul dinner guest, the erstwhile envoy from the Queen of Britain: the rascal-Fool Pocket. This trio of cunning plotters—the merchant, Antonio; the senator, Montessor Brabantio; and the naval officer, Iago—have lured Pocket to a**

dark dungeon, promising an evening of sprits and debauchery with a rare Amontillado sherry and Brabantio's beautiful daughter, Portia. But their invitation is, of course, bogus. The wine is drugged. The girl isn't even in the city limits.

Desperate to rid themselves once and for all of the man who has consistently foiled their grand quest for power and wealth, they have lured him to his death. (How can such a small man, be such a huge obstacle?). But this Fool is no fool . . . and he's got more than a few tricks (and hand gestures) up his sleeve. Greed, revenge, deception, lust, and a giant (but lovable) sea monster combine to create another hilarious and bawdy tale from modern comic genius, Christopher Moore.

***The Book of Joby* Jun 01 2020 The Book of Joby is an epic fantasy complete in one volume. Lucifer and the Creator have entered, yet again, into a wager they've made many times before, but this time, the existence of creation itself is balanced on the outcome. Born in California during the twilight years of a weary millennium, nine year old Joby Peterson dreams of blazing like a bonfire against the gathering darkness of his times, like a knight of the Round**

**Table. Instead, he is subjected to a life of crippling self-doubt and relentless mediocrity inflicted by an enemy he did nothing to earn and cannot begin to comprehend. Though imperiled themselves, the angels are forbidden to intervene. Left to struggle with their own loyalties and the question of obedience, they watch Lucifer work virtually unhindered to turn Joby's heart of gold into ash and stone while God sits by, seemingly unconcerned. And so when he is grown to manhood, Joby's once luminous love of life seems altogether lost, and Lucifer's victory assured. What hope remains lies hidden in the beauty, warmth, and innocence of a forgotten seaside village whose odd inhabitants seem to defy the modern world's most inflexible assumptions, and in the hearts of Joby's long lost youthful love and her emotionally wounded son. But the ravenous forces of destruction that follow Joby into this concealed paradise plan to use these same things to bring him and his world to ruin. As the final struggle unfolds, one question occupies every mind in heaven and in hell. Which will prove stronger, love or rage? The Book of Joby is an instant classic of contemporary fantasy.
