Spells for Forgetting Dec 11 2020 NATIONAL BESTSELLER • “Lush with secrets, magic, and a past that won’t stay where it belongs, this novel is (quite fittingly) spellbinding.”—JODI PICOULT, author of *Wish You Were Here* A deeply atmospheric story about ancestral magic, an unsolved murder, and a second chance at true love Emery Blackwood’s life changed forever the night her best friend was found dead and the love of her life, August Salt, was accused of murdering her. Years later, she is doing what her teenage self swore she never would: living a quiet existence on the misty, remote shores of Saoirse Island and running the family’s business, Blackwood’s Tea Shoppe Herbal Tonics & Tea Leaf Readings. But when the island, rooted in folklore and magic, begins to show signs of strange happenings, Emery knows that something is coming. The morning she wakes to find that every single tree on Saoirse has turned color in a single night, August returns for the first time in fourteen years and unearths the past that the town has tried desperately to forget. August knows he is not welcome on Saiorse, not after the night everything changed. As a fire raged on at the Salt family orchard, Lily Morgan was found dead in the dark woods, shaking the bedrock of their tight-knit community and branding August a murderer. When he returns to bury his mother’s ashes, he must confront the people who turned their backs on him and face the one wound from his past that has never healed—Emery. But the town has more than one reason to want August gone, and the emergence of deep betrayals and hidden promises spanning generations threaten to reveal the truth behind Lily’s mysterious death once and for all.

Brujas Nov 29 2019 "Brujas, Witches of Color are ancestral magical beings and the world we live in has tried to silence our voices. . . . This book is such a beautiful tribute to the different stories and experiences we go through as

brujas. . . . Amplify the voice of Witches of Color by reading their stories."
—Juliet Diaz, author of *Witchery and Plant Witchery* There is a new kind of witch emerging in our cultural consciousness: the bruja. Witchcraft has made a comeback in popular culture, especially among feminists. A growing subculture of BIPOC witches, led by Afro-Caribbean immigrants, Indigenous Americans, and other witches of color, is reclaiming their ancestral traditions and contributing their voices to the feminist witchcraft of today. *Brujas* chronicles the magical lives of these practitioners as they develop their healing arts, express their progressive politics, and extend their personal rituals into community activism. They are destigmatizing the "witch" of their ancestries and bringing persecuted traditions to the open to challenge cultural appropriation and spiritual consumerism. Part memoir, part ritual guide, *Brujas* empowers readers to decolonize their spiritual practices and connect with their own ancestors. *Brujas* reminds us that witchcraft is more than a trend—it's a movement.

The Juliet Spell Jul 06 2020 I wanted the role of Juliet more than anything. I studied hard. I gave a great reading for it—even with Bobby checking me out the whole time. I deserved the part. I didn't get it. So I decided to level the playing field, though I actually might have leveled the whole play. You see, since there aren't any Success in Getting to Be Juliet in Your High School Play spells, I thought I'd cast the next best—a Fame spell. Good idea, right? Yeah. Instead of bringing me a little fame, it brought me someone a little famous. Shakespeare. Well, Edmund Shakespeare. William's younger brother. Good thing he's sweet and enthusiastic about helping me with the play...and—ahem—maybe a little bit hot. But he's from the past. Way past. Cars amaze him—cars! And cell phones? Ugh. Still, there's something about him that's making my eyes go star-crossed....

The Spell Book of a Wicked Witch May 28 2022 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship

Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

A Spell for Chameleon (The Parallel Edition... Simplified) Jan 24 2022 Piers Anthony's bestselling Xanth series is one of the cornerstones of fantasy, a lively and whimsical interpretation of a genre often criticized for taking itself too seriously. Anthony's first Xanth novel, A Spell for Chameleon, was initially edited to target a more traditional audience. Now, in an eBook exclusive, A Spell for Chameleon has been reworked line by line—its language matching the simpler, playful way with words that made Piers Anthony an enduring fan favorite. Xanth is an enchanted land where magic rules, a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own. For Bink of North Village, however, Xanth is no fairy tale. He alone has no magic. And unless he gets some—and fast!—he will be exiled. Forever. But the Good Magician Humfrey is convinced that Bink does indeed have magic. In fact, both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King, the Good Magician Humfrey, or even the Evil Magician Trent. Be that as it may, no one can fathom the nature of Bink's very special magic. This is even worse than having no magic at all . . . and he still faces exile!

Spell of the Tiger Sep 19 2021 From the author of The Soul of an Octopus and bestselling memoir The Good Good Pig, a book that earned Sy Montgomery her status as one of the most celebrated wildlife writers of our time, Spell of the Tiger brings readers to the Sundarbans, a vast tangle of mangrove swamp and tidal delta that lies between India and Bangladesh. It is the only spot on earth where tigers routinely eat people—swimming silently behind small boats at night to drag away fishermen, snatching honey collectors and woodcutters from the forest. But, unlike in other parts of Asia where tigers are rapidly being hunted to extinction, tigers in the Sundarbans are revered. With the skill of a naturalist and the spirit of a mystic, Montgomery reveals the delicate balance of Sundarbans life, explores the mix of worship and fear that offers tigers unique protection there, and unlocks some surprising answers about why people at risk of becoming prey might consider their predator a god.

Breaking the Spell Dec 31 2019 The New York Times bestseller – a “crystal-clear, constantly engaging” (Jared Diamond) exploration of the role that religious belief plays in our lives and our interactions For all the thousands of books that have been written about religion, few until this one have attempted to examine it scientifically: to ask why—and how—it has shaped so many lives so strongly. Is religion a product of blind evolutionary instinct or rational choice? Is it truly the best way to live a moral life? Ranging through biology, history, and psychology, Daniel C. Dennett charts religion’s evolution from “wild” folk belief to “domesticated” dogma. Not an antireligious screed but an unblinking look beneath the veil of orthodoxy, Breaking the Spell will be read and debated by believers and skeptics alike.
