**Symphony City** Sep 04 2020 When a young girl gets lost in a big city, she makes her way home by following the rich and vibrant music of the streets.

**Symphony of Seduction** Jul 27 2022 The orchestra has tuned, the lights in the hall have dimmed, and the conductor's baton signals the downbeat for the beginning of the romance. Settle back – it's telling you something... The history of classical music is littered with murder, adultery, bigamy, fraud, sado-masochism, riches, poverty, gluttony, nervous breakdowns, bizarre behaviour and terrible, terrible toilet humour (Mozart was the prime exponent of the latter). Classical music –nice? Not at all. It's the most immediate expression of mental and emotional extremes: often deceptive, sometimes dangerous and frequently a discomfiting revelation. Swooning documents the all too human flaws in the lives of the great composers by loosely following the sequence of emotions as experienced in a love affair – one that doesn't work out, of course. In this fully revised and updated edition, Christopher Lawrence leads us through the listening experience, from anger and Beethoven to sadness and Tchaikovsky, triumph and Wagner and freedom and Mozart – it's all here in this whimsical guide to the conduct of a romance, with some handy hints on how to make it more, well, harmonious. One of Australia's favourite radio personalities, Christopher Lawrence boasts a career spanning more than 40 years of broadcasting. He is best known for his work with ABC Classic FM, presenting the network's Breakfast and Drive programs between 1994 and 2001. Three of the Swoon CDs that evolved out of his Breakfast program broke sales records in the Australian classical music industry, each achieving Platinum status. As an orchestral and opera recording producer Christopher has been awarded an International Emmy for Performing Arts, three ARIA Awards, a Churchill Fellowship, and the Editors' Choice Award at the Cannes Classical Awards in France. Christopher has written three best-selling books: Swooning; Hymns of the Forefathers, based on his documentary series about the history of hymns seen on ABC TV; and Swing Symphony. He can be heard on ABC Classic FM from 9 a.m. to midday presenting Mornings.

**PC Mag** May 01 2020 PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

**The Symphony** Aug 04 2020 Presents an exhaustive listener's guide to the symphony, replete with musical examples, biographical details, historical background, and commentaries on more than one hundred major works

**Beethoven's Tenth Symphony** Apr 11 2021 Fr. Papandreou reminded the conference of the question which had bothered the 'composer' so much. 'Had he been talking to Beethoven in heaven? If not, to whom was he talking?' The western bishop could not contain himself any longer. 'So now the walking dead are targeting the walking living and giving them ready-made symphonies announcing the end of the world, in this case written by Beethoven but not before he died. You must be joking! Where do you get this from? Even the inspector sounds now like he is losing it.' All over the world people are buzzing about a symphony that seems divinely inspired. But even more intriguing is the statement made by the conductor that he didn't use any music to direct the orchestra. Charged with investigating the mystery for the the Times newspaper, Inspector Michael Lewis travels across the world to engage in a summit discussion about the source of the mystical piece of music. Join author Dr. Erik Eriksson for a spiritual epiphany of historic proportions, and the profound impact of Beethoven's Tenth Symphony.

**The Unfinished Symphony of You and Me** Oct 30 2022 A wonderfully witty and gorgeously romantic story of facing your fears and falling in love, for fans of Sophie Kinsella, Marian Keyes and Rosie Walsh. Sally is an incredible singer, but nobody has ever heard her. The thought of singing in public fills her with dread. But then something happens one summer which changes everything. No longer able to hide in the shadows, Sally must return home to London to fulfil a promise she cannot break - to share her voice. But just when she's ready to start her new life, a beautiful man turns up on Sally's doorstep with a sheepish smile and a mysterious hand-written message. How did he find her and why is he here? Does he hold the truth to what happened back in New York? And will she still have the courage to step into the spotlight? \_\_\_\_\_ 'We want to climb the highest mountain and shout about this book to the world. We laughed, we cried, we fell in love' Heat 'You'll be laughing one minute and crying the next; this book will stay with you' Lucy Diamond 'I flaming loved it. If you like cheering on heroines to meet their goals, find love and battle life into submission - you'll love this!' Milly Johnson

**Symphony Strange and the Amazing Annabatyá de Vole** Jun 25 2022 Twelve-year-old Symphony Strange has had enough. Enough of the 'gruesome twosome' Phyllida and Suzette's mean 'tricks' because they don't see her as being posh enough, enough of St Bartholomew's School for Girls and most of all, enough of having no friends.

**Welcome to the Symphony** Nov 30 2022 Using one of the most famous works in classical music—Beethoven's Fifth Symphony—here is the perfect way to introduce a young child to the world of classical music. This charming and interactive picture book with its panel of 19 sound buttons is like a ticket to a concert hall, taking readers on a journey from the exciting first moment when the musicians begin tuning up to the end of the first movement (attention newcomers: don't clap yet!). At each step of the way, readers learn the basics of classical music and the orchestra: What is a conductor? What is a symphony? Who was Beethoven? The different aspects of music: melody, harmony, tempo, theme. And the families of instruments—strings, woodwinds, brass, and percussion. But the best part is that every critical idea is illustrated in gorgeous sound. The sound panel allows readers to hear the different parts of the symphony and voices of the music—the famous beginning of the Fifth, what a clarinet sounds like, the difference between a violin and a viola, what a melody is, and what harmony is. Kids will want to match their voices to the A note that tunes the orchestra, dance to the rhythmic passages—and, of course, sing along to da-da-da-daah!

**Samuel Barber** Jun 01 2020 Samuel Barber (1910-1981) is one of the most admired and honored American composers of the twentieth century. An unabashed Romantic, largely independent of worldwide trends and the avant-garde, he infused his works with poetic lyricism and gave tonal language and forms new vitality. His rich legacy includes every genre, including the famous Adagio for Strings, Knoxville: Summer of 1915, three concertos, a plethora of songs, and two operas, the Pulitzer prize-winning Vanessa, and Antony and Cleopatra, the commissioned work that opened the new Metropolitan Opera House at Lincoln Center in 1966. Generously documented by letter, sketches, autograph manuscripts, and interviews with friends, colleagues, and performers with whom he worked, this ASCAP-Award winning book is still unquestionably the most authoritative biography on Barber, covering his entire career and interweaving the events of his life with his compositional process. This second edition benefits from many new discoveries, including a Violin Sonata recovered from an artist's estate, a diary Barber kept his seventeenth year, a trove of letters and manuscripts that were recovered from a suitcase found in a dumpster, documentation that dispels earlier myths about the composition of Barber's Violin Concerto, and research of scholars that was stimulated by Heyman's work. Barber's intimate relations are discussed when they bear on his creativity. A testament to the lasting significance of Romanticism, Samuel Barber stands as a model biography of an important musical figure.

**You Can't Be Serious** Jun 13 2021 The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this "incredibly joyful and insightful" (Kiefer Sutherland) memoir. You Can't Be Serious is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn's idiosyncratic life. It's about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie Van Wilder...or getting a phone call from Air Force One as Kal flew with the country's first Black president. "By turns hilarious, poignant, and inspiring" (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, You Can't Be Serious shows that everyone can have more than one life story. The book "is insightful, funny, and instructive for anyone who's ever grappled with how they fit into the American dream" (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it's also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.

**The Unfinished Symphony of You and Me** Nov 06 2020 Sally is an incredible singer but she sings only in her wardrobe where nobody can hear her. She'd rather join a nudist colony than sing in public. That is until she ventures to New York where a wild and heady summer of love and loss changes her forever. No longer able to hide in the shadows, Sally must return home to London to fulfill a promise she cannot break - to share her voice. But just as she's about to embark on her new life, a beautiful man turns up on Sally's doorstep bearing

a sheepish smile and a mysterious hand-written message. How did he find her? Why is he here? Does he hold the truth to what happened back in New York? And, with him back on the scene, will she still have the courage to step into the spotlight? 'A charming, gorgeous tale of an ordinary woman with an extraordinary talent. I flaming loved it.' Milly Johnson 'You'll be laughing one minute and crying the next.' Lucy Diamond 'Quirky, charming, at times hilarious and at times heart-wrenching, this is Lucy Robinson at her very best.' Huffington Post 'A rollicking, rich, romantic, rollercoaster of a novel.' Katy Regan

**The Liberation Symphony** Jan 27 2020 A dramatic thriller, The Liberation Symphony is the true epic story of one family's defection from North Korea. Two innocent South Korean young lovers are captured at the onset of the Korean War and conscripted into the North Korean People's Army. Both are the grand prize winners of a recent national music competition and their talents are recognized by North Korea's Premier, Kim Il Sung, and they rise quickly to prominence. Yoon Jung Ho, a concert pianist, and Choi Young Ae, a gifted soprano who soon becomes his wife, both personally serve Kim Il Sung, who bestows on them the titles of "People's Composer" and "People's Singer." Pretending loyalty to the despot and later to his successor son, Kim Jong Il, the passionate musicians create and perform numerous propaganda songs and operas to promote the personality cult of Kim Il Sung and Kim Jong Il. Jung Ho's virulent anti-American anthem becomes one of the most popular songs in North Korea. Despite the honors, the couple always feel like puppets of the communist regime. Then, Young Ae is betrayed and poisoned to death. The current dictator, Kim Jong Il, commissions Jung Ho to compose a symphony on a grand scale to glorify his dead father, Kim Il Sung. Rebellious against Kim Jong Il's wish, Jung Ho composes his own version based on the historical facts, not on fantasy. Through striking music and chorus, the symphony reveals the true condition of North Korea: millions are starving to death, over 200,000 political prisoners are detained in Yodok and other concentration camps, and the regime is hell-bent on developing a nuclear weapon despite the country being one of the poorest in the world. Jung Ho plans to smuggle the symphony out to the free world, but his attempt is detected and he is punished to death. However, through a torturous journey that spans three years, his children succeed in smuggling the symphony to South Korea. As The Liberation Symphony is performed triumphantly in Seoul in 2003, Jung Ho returns home at last in spirit through his music, and the captivated audience feel the two Koreas united as one.

**Berlioz the Bear** Mar 30 2020 A "Reading Rainbow" Feature Title Zum, zum, buzz.... zum, zum, buzz... What's that strange buzz coming from the double bass? Berlioz has no time to investigate, because he and his bear orchestra are due at the gala ball in the village square at eight. But Berlioz is so worried about his buzzing bass that he steers the mule and his bandwagon full of magicians into a hole in the road and gets stuck. Time is running out, and if a rooster, a cat, a billy goat, a plow horse, and an ox can't rescue the bandwagon, who can? As the suspense mounts, intricate borders reveal the village animals making their way to the square one by one. When the clock chimes eight, the animals, ready to dance, have filled the square-but there's no sign of Berlioz. Jan Brett's glorious illustrations invite the eye to linger over exquisite details and humorous nuances that enhance the story. This delightful cumulative tale is one that will be looked at again and again.

**Thank You, Mr. Nixon** Mar 23 2022 The acclaimed, award-winning author of *The Resisters* takes measure of the fifty years since the opening of China and its unexpected effects on the lives of ordinary people. It is a unique book that only Jen could write—a story collection accruing the power of a novel as it proceeds—a work that Cynthia Ozick has called “an art beyond art. It is life itself.” Beginning with a cheery letter penned by a Chinese girl in heaven to “poor Mr. Nixon” in hell, Gish Jen embarks on a fictional journey through U.S.-China relations, capturing the excitement of a world on the brink of tectonic change. Opal Chen reunites with her Chinese sisters after forty years; newly cosmopolitan Lulu Koo wonders why Americans “like to walk around in the woods with the mosquitoes”; Hong Kong parents go to extreme lengths to reestablish contact with their “number-one daughter” in New York; and Betty Koo, brought up on “no politics, just make money,” finds she must reassess her mother’s philosophy. With their profound compassion and equally profound humor, these eleven linked stories trace the intimate ways in which humans make and are made by history, capturing an extraordinary era in an extraordinary way. Delightful, provocative, and powerful, *Thank You, Mr. Nixon* furnishes yet more proof of Gish Jen’s eminent place among American storytellers.

**Old Sex Symphony** Jan 21 2022 People in their forties and fifties sometimes wonder what sex will be like after 60. People between the ages of twenty-five and forty wonder if sex is possible after 60. People under twenty-five think that sex is against the law after 60. All are agreed that old age does not come alone. It brings with it aches, pains and illnesses - which are either peculiar to old age or more deadly, even fatal, than at other times of life. But libido remains. It never goes away. Can I still? Should we really? Might she, perhaps? The answers to these questions make for a symphony of differing moods, tempos and movements. Bawdy, Pathétique, Mock Heroic, Tristesse, Farce. These are the movements of *The Old Sex Symphony*. The auditorium is hushed. The conductor raises his baton...

**Truth** Oct 25 2019

**Nighttime Symphony** Apr 23 2022 As a child readies for bed, the sounds of his family echo around him, soothing him to sleep. The steady beat of cars passing on the street outside and raindrops falling onto the roof above punctuate a rhythm created by the shouts of uncles over a barbecue, the clink of dishes washed by cousins, and a grandfather’s booming laughter. It all blends together to form the soundtrack of a child’s life—a soundtrack of love. A musical read-aloud that tenderly captures the comforts of a loving home and family, *Nighttime Symphony* is as contemporary as it is timeless.

*Symphony Encore* May 25 2022

**SYMPHONY OF SOUL** Nov 18 2021 Welcome to my 48th Book, SYMPHONY OF SOUL. If you write the songs from your true heart; if you listen to the music radiating from your core being, you will then know the CENTERFOLD of the Symphony of Soul.

*Ashanti's Symphony* Sep 24 2019 What if you woke up to discover that you’re not who or what you think you are? In a world where most people define their reality by what is tangible, Ashanti remembers a world beyond. As the life she knows comes crashing down around her, an inter-dimensional portal opens up to reveal a realm of sacred codes, mysterious intergalactic beings, super human feats and a love that has survived eternity. Each and every step she takes is fueled with divine purpose, touching the lives of all who cross her path, leaving them changed forever. The stage is set and the curtain is drawn to reveal a world where the lines between fiction and nonfiction are blurred, exposing the magic that is Ashanti’s Symphony. Ashanti’s Symphony/ Reviews I just finished the book 2 days ago...there are no words...the best book I have ever read, life changing, my world looks different now, more beautiful. Thank you so much for your gift xxxxx (Louise B) Half way into your book and I've cried, laughed, smiled and felt every cell of emotions come to surface....touched the core of my heart....I'm completely in awe.... I'm in the vortex and loving the journey!!! To say it's out of this world doesn't even cut it...it's friggin brilliant!!! :))) I love, love, love, love it... I want more!!!! Xxxx (Poppy D) "In Lak'ech Ala K'in" has a powerful frequency! Last night it happened..the instant my eyes read this code in "Ashanti's Symphony" on my Kindle, I felt my heart pound, followed by sobs and tears. I knew I'd been activated for my spirituality had been dimmed since my father passed 2 years ago, but I was also aware of Spirit's trust in my "Brightening its path" someday. Spirit does love unconditionally. Thank you Lenita Vangellis for your precious, creative and spiritual gift to humanity. (thegoodlife4eva) Thank you! Your book has been handed to me at a perfect time and for some reasons I understand and others I am yet to uncover. Your beautiful soul radiates and inspires. Thank you x (Pauline G) Namaste Lenita! I picked up Ashanti’s Symphony last night on the NEW Moon! I couldn’t put it down! Even though I relate and understand absolutely every word of it- it just captivated me! Especially that part of me that is here for all humanity! I stayed up late again (3am) reading...reading....reading last night! Very hard to put it down! This MasterPeace of storytelling will absolutely touch the hearts and awaken all who are graced and guided to read it! Just writing to some friends today I described your inspiring work as thrilling... enthralling...captivating...mind expanding...elucidating and liberating! I really treasure the way you so cleverly weave the Universal principles through your dialogue! A Master once told me to always wrap up the truth in a delectable wrapper and you have done it so adeptly! This Masterpeace is a must for all the awakening neophytes out there and I will be networking it far and wide! Thank you for your Herculean efforts on behalf of this sacred planet we currently journey and reunite upon - to support all who seek the Light of reason!! (Robin B) I feel absolutely in awe of the synchronistic events that have led me to you and your beautiful book. I would like to express my gratitude to you for bringing this timely creative spiritual book to humanity. We are living in amazing magical times. Your Book is going to be a major catalyst to the next wave of awakening and expanding the human consciousness ... I feel this and your Love is already working it magic....the Butterfly effect.... my heart is expanding since reading only 1

**Tchaikovsky's Pathétique and Russian Culture** May 13 2021 Tchaikovsky’s Sixth Symphony (1893), widely recognized as one of the world’s most deeply tragic compositions, is also known for the mystery surrounding its hidden programme and for Tchaikovsky’s unexpected death nine days after its premiere. While the sensational speculations about the composer’s possible planned suicide and the suggestion that the symphony was intended as his own requiem have long been discarded, the question of its programme remains.

**Wild Symphony** Jan 01 2023 #1 New York Times bestselling author Dan Brown makes his picture book debut with this mindful, humorous, musical, and uniquely entertaining book! The author will be donating all US royalties due to him to support music education for children worldwide, through the New Hampshire Charitable foundation. Travel through the trees and across the seas with Maestro Mouse and his musical friends! Young readers will meet a big blue whale and speedy cheetahs, tiny beetles and graceful swans. Each has a special secret to share. Along the way, you might spot the surprises Maestro Mouse has left for you- a hiding buzzy bee, jumbled letters that spell out clues, and even a coded message to solve! Children and adults can enjoy this timeless picture book as a traditional read-along, or can choose to listen to original musical compositions as they read--one for each animal--with a free interactive smartphone app, which uses augmented reality to play the appropriate song for each page when a phone's camera is held over it.

*Your Symphony of Selves* Jan 09 2021 Why you are a different you at different times and how that’s both normal and healthy • Reveals that each of us is made up of multiple selves, any of which can come to the forefront in different situations • Offers examples of healthy multiple selves from psychology, neuroscience, pop culture, literature, and ancient cultures and traditions • Explores how to harmonize our selves and learn to access whichever one is best for a given situation Offering groundbreaking insight into the dynamic nature of personality, James Fadiman and Jordan Gruber show that each of us is comprised of distinct, autonomous, and inherently valuable “selves.” They also show that honoring each of these selves is a key to improved ways of living, loving, and working. Explaining that it is normal to have multiple selves, the authors offer insights into why we all are inconsistent at times, allowing us to become more accepting of the different parts of who we and other people are. They explore, through extensive reviews, how the concept of healthy multiple selves has been supported in science, popular culture, spirituality, philosophy, art, literature, and ancient traditions and cite well-known people, including David Bowie and Beyoncé, who describe accessing another self at a pivotal point in their lives to resolve a pressing challenge. Instead of seeing the existence of many selves as a flaw or pathology, the authors reveal that the healthiest people, mentally and emotionally, are those that have naturally learned to appreciate and work in harmony with their own symphony of selves. They identify “the Single Self Assumption” as the prime reason why the benefits of having multiple selves has been ignored. This assumption holds that we each are or ought to be a single consistent self, yet we all recognize, in reality, that we are different in different situations. Offering a pragmatic approach, the authors show how you can prepare for situations by shifting to the appropriate self, rather than being “switched” or “triggered” into a sub-optimal part of who you are. They also show how recognizing your selves provides increased access to skills, talent, and creativity; enhanced energy; and improved healing and pain management. Appreciating your diverse selves will give you more empathy toward yourself and others. By harmonizing your symphony of selves, you can learn to be “in the right mind at the right time” more often.

**Adult Piano Adventures Classics Book 2 - Symphony Themes, Opera Gems and Classical Favorites** Nov 26 2019 (Faber Piano Adventures ). In this inspiring collection, late-

elementary to early-intermediate pianists will find appealing arrangements that advance skills while exploring masterworks of Western music. The famous orchestral, keyboard, and operatic repertoire here spans four periods of music history. In the Baroque & Classical section, discover the elegance of Bach, the beauty of Mozart and the passion of Beethoven. Through the pages of the Romantic & Impressionistic section, sample the lyricism of Chopin, the drama of Grieg, and the atmosphere of Debussy. May the melodies of these and many other composers open an enduring world of expression and sound.

**Love's Symphony** Aug 16 2021

*Orchestra...5 Minutes!* Dec 08 2020 This book follows the life of, Damien Shindelman and the bizarre series of events that shaped his unique personality and path to be coming a professional oboist. From his abusive grandmother, deplorable grade school years, to his early childhood adventures, his unique story is a cleverly woven saga that will leave you shocked, bemused, and openly laughing. His jaded yet comical portrayals of all the instruments in the orchestra will give you a new perspective on life in the symphony orchestra. From fact to fiction, every instrument has its roast, as well as the more interesting musicians in the ensemble. You will also be able to follow the history of the Phoenix Symphony with all its struggles, set backs, and triumphs, including all the varied conductors who have graced its stage over the past thirty years. If you ever wanted to know the inside scoop on the Phoenix Symphony and the town itself, this is the book for you.

*Mole Music* Dec 20 2021 Feeling that something is missing in his simple life, Mole acquires a violin and learns to make beautiful, joyful music.

*The Last Virgin Alive* Oct 06 2020 Hi. My name is Symphony and Im still a virgin, sadly. I mean, Ive had crushes, Ive had ex-boyfriends and others, but they didnt do anything. Hell, I even befriended a slut in high school, but the guys that she brought were disgusting. I dont know how she even dealt with them, but then again, she didnt have any morals herself. I mean, why would she be a slut if she had sense? Sluts dont have sense; I mean, thats unheard of! Then again, I was looking for love because all I ever wanted was love, almost the type of love my dad gives me but without the whole hes related to me thing. Yeah, my dad is related to me, so he has to be nice to me. My dad is paying my bills while Im in school. For that I am grateful for him. I love him to death even though he watches soap operas, General Hospital to be exact. Does he know that I watch soap opera clips on YouTube? No, he doesnt need to know.

**Golden Years of the National Symphony Orchestra** Mar 11 2021 "This book presents a rich and intimate perspective of the National Symphony Orchestra as it evolved in prominence and international expanse over the last 50 years. Hundreds of stunning photographs and personal stories from NSO musicians bring to life the tenure of seven NSO conductors, major guest artists, and members themselves"--

*Hitting the Highest Notes* Aug 28 2022 I love it when something happens that makes my spirit soar. You know the feeling. Suddenly you are experiencing an awesome wonder... the manifestation of a stellar talent... the expression of a pure heart... the majesty of creation's splendor... the thrill of being in the presence of near-perfection. For me, spirit-soaring moments occur most predictably when I am listening to a musical performance and the performer is "on song," as the English say so beautifully. That is especially true when the performer is a classical soprano and she hits the high notes with a clarity and purity of tone that sends chills running down the spine and causes an audience to leap to its collective feet with spontaneous applause and cheers! This is a book primarily for and about women, so the metaphor of a soprano is appropriate. And because I am a musician at heart and by training, the metaphor of music will run throughout this book. There's a soul song for you to sing--a song titled "your success" that has a melody of joy and a rhythm of satisfaction. It's a song only you can sing. It's a success only you can achieve. And when you do... your spirit will soar and others will be inspired to follow your example.

*The Symphony of the Night* Feb 07 2021 *The Symphony of the Night* By: Matthew Christian This is the main character of this book that you are about to read. Before you open this book and before you read it with your own eyes, I thought I would like to introduce myself. You may call me The Maestro. I'm the main character of this book. While you're reading, I have no doubt in my mind that you'll wonder how I was created. My creator is the same author of this book. It's imperative that you read this book. If you don't, you'll miss out on something spectacular and you wouldn't want that to happen. Read this book every single day! Make this book the most important thing in your life! Why should this book be important to you? Because it's the greatest book that has ever been created, that's why! This book has credibility because it shows what happens when a person embraces the darkness and shows the world how truly amazing the dark side of life really is. My creator truly has a beautiful, twisted, and dark mind. This is unique because it's a book of poems in a horror/musical setting. Enjoy yourself and happy reading!
